

Northwest Wisconsin Veteran Fund

The citizens of Northwest Wisconsin request:

- **That the Wisconsin Department of Veterans Affairs reach out to Northwest Wisconsin Veteran's Groups and explain how programs will continue to be funded.**

The Veteran's Trust Fund is utilized for a wide variety of benefits and programs for our Veterans. Northern Wisconsin's Veterans would like to be involved to ensure funded programs will continue in the future.

We would like to speak with Secretary Black on his vision for the Fund in the future.
