

Regional Juvenile Detention Center in Northwest Wisconsin

The citizens of Northwest Wisconsin request:

- **That the Department's of Administration, Children and Families, Corrections, Health Services, Public Instructions, Workforce Development and WHEDA support the creation of a Juvenile Detention Facility to be placed on the Red Cliff Band of Lake Superior Chippewa reservation.**

The financial and family burdens related to the nearest juvenile detention facility being located in Eau Claire can be more easily addressed through a collaboration with the Red Cliff Tribe. The Red Cliff Tribe is situated in an area that would provide for adequate security, treatment and access by Northern Wisconsin counties. The facility would provide stable employment in an area that has a high unemployment rate along with seasonal employment.
